SWAT callout to Lowell

On January 16, 2014 the NEMLEC SWAT team received a request for service from the Lowell Police Department and the DEA Cross Borders Initiative task force. The agencies requested the use of the SWAT team in order to serve a KNOCK AND ANNOUNCE search warrant for drugs. Additional information had been received that the target of the warrant may be in possession of a firearm and possibly involved in a recent shooting. At this time the team was already operational in Woburn, MA assisting another drug task force. A pre-designated team was dispatched to Lowell.

The team responding to Lowell consisted of the following operators:

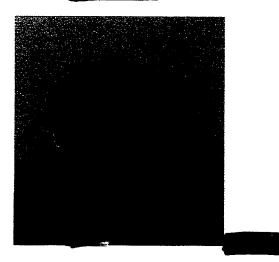

- 1. DiChiara- long arm, taser
- 2. Gualtieri- long arm
- 3. Bourque- 40mm less lethal
- 4. Max-long arm, taser
- 5. Fay-TL
- 6. Carlson-long arm
- 7. Cogswell- less lethal shotgun
- 8. Dorsey- bearcat operator
- 9. Fuller- rear security
- 10. Dicker- ram

MSO Component

- 1. Kareles, G-long arm
- 2. Slauta, D- long arm
- 3. Irving, C-long arm
- 4. Gianino, Sgt- TL
- 5. Lavita, J-long arm

Upon arriving to Lowell PD at approximately 1710hrs the team was briefed by Detective Raymond Cormier of the Lowell Police Department(Task Force Agent with Cross Borders Initiative)

The target of the operation was identified as one Hillcrest Drive in Lowell. Was believed to be in possession of a semi-automatic handgun. Was believed to be selling illegal drugs from his residence. As a result CBI conducted an investigation and as a result obtained search warrant for the residence of Hillcrest Drive in Lowell.

The structure was identified as the left side of a duplex located at the end of Hillcrest Drive on a Cul De Sac. Information provided by team intelligence provided a layout of the apartment.

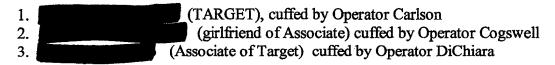

Due to several factors a reconnaissance was not conducted. The secluded location on a Cul De Sac, possible presence of surveillance cameras, the ongoing activity in and out of the residence, and the need to swiftly locate the target due to some of his associates having just been arrested, were all reasons for the foregoing of a drive by. The intelligence received from photos as well as the layout information provided a clear enough assessment of the target location for the team.

Upon being briefed the current Situation, the team continued with an operations order outlining the mission, execution. The mission for the team was to conduct a knock and announce entry at the premises in order to facilitate detectives executing their search warrant. The concept of the operation called for the team to move via bearcat to the target address on a pre designated route. Upon reaching the location the Alphi team would approach the main front entry door located on Side 1. The MSO contingent (blue van) would deploy to the Side 3 rear slider and stand by for a breach and hold on command. The Side 1 team would be primary entry.

Upon completion of the Operations Order the team conducted a rehearsal at LPD. The team then began movement to the target location. Support elements included IMAT (Vinciulla, Russo)
CNT. (Peaslee, Fogarty)
Medical Support (Regan)

Nearing the target location a reverse five count was given. At the target location the initiate command was given. At approximately 1740hrs the team dismounted and proceeded to the front main door of Hillcrest Drive. Operator DiChiara provided door security. A knock and announcement was given. After a reasonable amount of time the door was breached by Operator Dicker. The team proceeded to enter and located two adult males and one adult female in the living room immediately on the right. The two males were and female were cuffed due to the recent information provided about a possible firearm and possible involvement in a shooting. The parties were identified as:

As the team proceeded upstairs two children came to the main hallway. They were called out by Operator Bourque. They were later identified as the target's children.

The children were immediately removed from the dwelling by CNT Fogarty and remained in a Trinity Ambulance.

The team subsequently cleared the entire apartment before turning the scene over to detectives. The team then mounted vehicles and exited the area enroute to Woburn to link up with the remainder of the NEMLEC SWAT team for follow on operations.

Detectives executing the search warrant located several illegal drugs to include marijuana and steroids as well as \$ 14,057 in US currency.

Respectfully,

Sergeant James Fay NEMLEC SWAT 1*
